

One

Would you like to have some fun?
Please draw my nose. I need just one
There's something else now to be done.
Please draw my mouth. I need just one.

Notes for parents and carers

Ask your child to draw one nose, one mouth and colour the face. You could then print more faces to complete, cut out and arrange in a row for counting.
How many noses? How many mouths? How many sad faces? How many with black hair? Etc.

Early Learning Goal

Say and use number names in order, in familiar contexts.
