### Notes for parents and carers

Show your child how to cut out the days of the week and stick the appropriate one at the top. Ask your child to draw a picture about today and tell you about it.

If you print out 7 sheets you can repeat this activity and keep a picture diary of the week. At the end of the week look at the diary together and have fun remembering what happened.

### Early Learning Goal

Use talk to organise, sequence and clarify thinking, ideas, feelings and events.
